July 1, 2018 - June 30, 2019

Mission Statement—Family Rescue is dedicated to eliminating domestic violence in the Chicago community by providing comprehensive support services and shelter to victims of domestic violence, particularly to abused women and their children, engaging in advocacy to promote future system change, and encouraging prevention through community education.

Vision Statement—Family Rescue envisions a world where safety and well being is a shared responsibility within and among families and communities, achieved only when the most vulnerable among us is safe, and a society free of violence is a reality for all.

Family Rescue Opens the Joyce Coffee Admin/COR Center in August 2018

After years of searching and fundraising and months of renovations, Family Rescue finally moved in to the Joyce Coffee Admin/COR Center on August 29, 2018. Located at 8811 S. Stony Island Ave, the new space includes a conference room, a dedicated children's room for COR, and a training room.

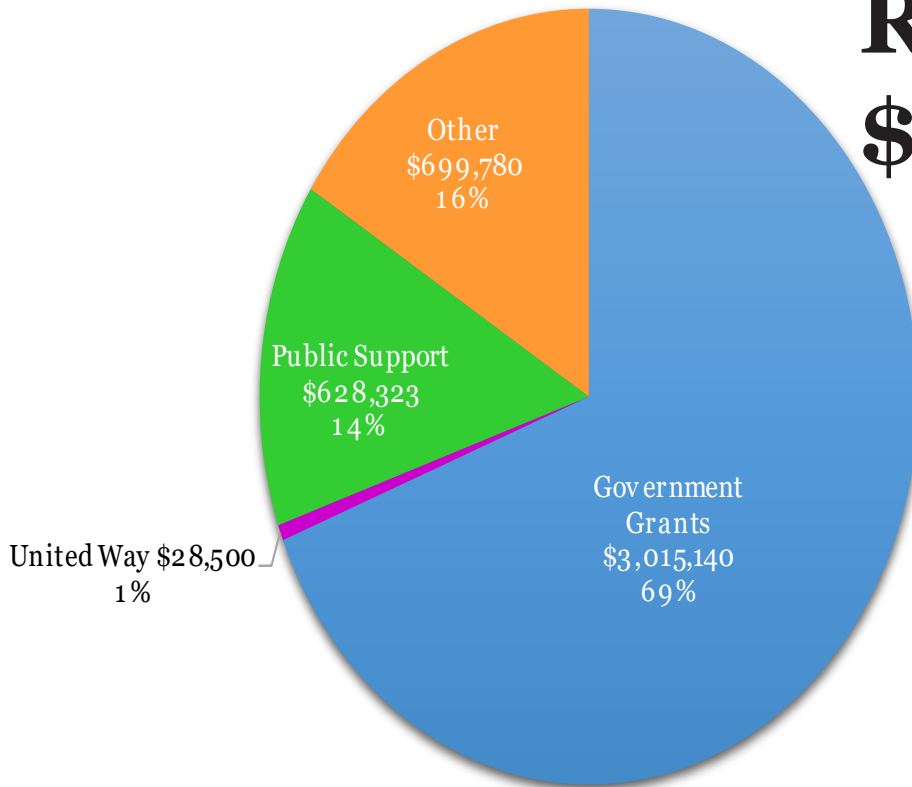

Family Rescue is excited to have a dedicated space to hold trainings, allowing us to educate more of our fellow social and human services professionals about domestic violence. It also gives our Community Outreach Program a space to hold Family Nights, weekly support groups, and the MoneyW!se financial literacy series. MoneyW!se goes in depth about how to build and maintain healthy financial practices, including how to establish and repair credit, how to invest for retirement, and how to set a monthly budget.

It could not have happened without support from Antunovich Associates, Inc., Bulley & Andrews Construction Firm, DLA Piper LLP, George Sollitt Construction Co., Offenbergl & Tirtilli Architects, and P.I.P..
