BUILDING SAFER FUTURES TOGETHER

45TH ANNIVERSARY PARTNERSHIP GUIDE

October 2, 2026

Dear Friends,

It is an incredible honor to write to you for the first time as Family Rescue's new Chief Executive Officer. I am deeply grateful for the opportunity to join an organization whose mission has transformed countless lives and strengthened our community for 45 years.

As I begin this journey, I want to thank each of our survivors, staff, volunteers, board members, donors, partners, and advocates. Your compassion, commitment, and belief in our mission have made Family Rescue a place of hope, healing, and empowerment for individuals and families experiencing domestic violence. I am inspired by the dedication that has brought us to this moment and excited to build our future together.

As we celebrate our 45th Anniversary, we also honor the extraordinary legacy of those who came before us. For nearly five decades, Family Rescue has stood beside survivors, offering safety, support, and the opportunity to rebuild lives free from violence. Visionary leaders, dedicated staff, generous supporters, and courageous survivors have shaped an organization grounded in dignity, resilience, and hope. Their commitment has created a strong foundation, and I am privileged to carry that legacy forward.

While we celebrate how far we've come, our work is far from finished. Every day, individuals and families continue to seek safety, shelter, counseling, legal advocacy, and the resources they need to begin again. The need for our services remains urgent, and our commitment to survivors must continue to evolve alongside the changing needs of our community.

As we look toward the future, Family Rescue is embarking on a new chapter guided by thoughtful strategic planning and a bold vision for greater impact. Together with our Board of Directors, staff, survivors, and community partners, we are charting a course that will strengthen our organization for years to come. We will focus on expanding access to high-quality, trauma-informed services; investing in our talented team; leveraging data and innovation to improve outcomes; deepening partnerships across Chicago; and building the financial sustainability needed to meet growing community needs.

Just as importantly, we will continue listening—to survivors, to our staff, and to the communities we serve. Their voices will help shape our priorities and ensure that Family Rescue remains responsive, compassionate, and effective. By honoring what has always made this organization exceptional while embracing new growth opportunities, we will be prepared to meet tomorrow's challenges with confidence and purpose.

Our 45th Anniversary Celebration is more than a milestone—it is an opportunity to honor our past while investing in our future. As we commemorate this remarkable achievement, I invite you to join us by making a meaningful gift to Family Rescue. Your generosity directly supports emergency shelter, counseling, children's services, legal advocacy, prevention education, and the comprehensive care that empowers survivors to rebuild their lives with dignity and hope.

Together, we can ensure that Family Rescue remains a trusted refuge for generations to come. Every contribution is an investment in safer families, stronger communities, and a future where every individual can live free from violence.

Thank you for welcoming me. I look forward to meeting many of you in the months ahead and working alongside you as we continue this vital mission. Together, we will honor our legacy, embrace innovation, and build a stronger, more resilient future for every survivor who turns to Family Rescue for hope.

With gratitude,

Latreece N. Sanders
Chief Executive Officer

OUR INVITATION

Invest in Hope. Build the Next Chapter.

For 45 years, Family Rescue has helped individuals and families find safety, healing, and hope.

This anniversary is more than a celebration. It is an invitation to invest in safer families, stronger communities, and the future of one of the region's longest-serving domestic violence organizations.

As a corporate partner, your organization will help Family Rescue honor its legacy while expanding the resources survivors and their children need to move forward with dignity and stability.

Your partnership is an investment in hope—and in what comes next.

45 Years of Trusted Service

24,880

Hours of Direct Service
